School Board Has Busy Meet; Name Officers For Year

Student Insurance To Be Limited; Budget To Be Discussed

Officers of the governing board of the Tahoe Truckee Unified School District were reelected at the meeting held July 14.

Jack Felte of Kings Beach was reelected president, B. K. Miller of Floriston is vice president and Mrs. Hilda Hintz of Truckee is clerk of the board. District Superintendent John Corbin officiated as chairman during the meeting and the board voted to continue to hold meetings on the second Tuesday of each month at 8 p. m. at the high school.

Representatives of the Truckee and Tahoe nursery schools appeared before the board and were advised that the nursery schools during the coming year must be self-supporting to be operative. Reports are to be rendered on a monthly basis determining the state's reimbursement based on the hours of attendance and the teacher's salary and whether or not the nursery school is self-supporting. In event of a deficit, each nursery school must reimburse the school district.

C. Z. Smith and Fosten Wilson discussed the matter of insurance with the board and were asked to prepare a statement of insurance coverage for the schools and present it at the September meeting for further consideration.

INSURANCE DISCUSSED

Discussion followed covering insurance program for the students. It was the consensus of the board that insurance coverage for the 1959-60 year be limited to interscholastic competitive sports and cheerleaders. Corbin was requested to prepare a letter to parents advising them of the student insurance program for the coming year.

Corbin read a letter from the accreditation committee of which M. Eugene Mushlitz is secretary, advising that the Tahoe Truckee High School was granted accreditation until June 30, 1962.

BUDGET HEARING

The tentative budget was approved and a public meeting for hearing the same called for August 4 at 8 p. m.

The board approved the use of school buses to transport children to the Shrine circus in Reno during August.

The board accepted the resignation of Ronald Schwenn as a teacher at the Truckee Elementary School and voted to employ Mrs. Ruth Bundy as first grade teacher at Kings Beach, Aldo Marri as custodian and Norman Handy as a summer custodian.

GEO. MARKELL RITES ARE HELD AT RENO

George MarKell, 59, who 20 years ago operated a garage and Oldsmobile agency in Truckee, and for the past 20 years a resident of Grass Valley, died in Reno Saturday. Funeral services were held Tuesday in Reno.

A native of Kansas, he was interested in local car racing and was instrumental in the founding of the present Nevada County Racing Association.

He is survived by his wife June R., of Reno; Mrs. Dorothy Gamble of San Jose, a daughter; Mrs. Alice Tryon of Fontana, California, a daughter; and Mrs. Georgria Gray of Reno, Nevada, a daughter; Robert MarKell, Sacramento, a brother; John MarKell, Truckee, a brother; Echo MarKell, Lincoln, Kansas, a brother, and Orrin MarKell of Placerville, a brother.

MARINE PATROL IS FORMED IN PLACER

AUBURN—A marine patrol to aid in policing the waterways of Placer County has been formed here.

Operating under the jurisdiction of the sheriff's department, the group will act as an auxiliary to Sheriff William A. Scott and will assist in rescues and other emergencies. The unit also will develop an educational program in water safety.

Named the Placer County Sheriff's Marine Patrol, the organization will operate under the direction of Sid Dennison, captain; Charles Corveth, lieutenant; and George Quigley, sergeant, all of Auburn.

SWIMMER SETS MARK IN CROSSING TAHOE

MEEKS BAY—Fred Rogers, 35, South San Francisco, who in 1955 swam the length of Lake Tahoe, claims a new record with his swim Sunday across the chilly water from Meeks Bay to Cave Rock.

Rogers made the difficult distance in eight hours and six minutes. The distance across the lake at this point is 12 miles.

When he swam the length of the lake in 1955, Rogers made it in 19 hours and six minutes and plans to break this mark in the future.

Boy Rescued From River After Being Isolated On Rock

Byron Elliott, aged 9, will probably stay away from the Truckee River for a while until he gets over his scare and narrow escape experienced Thursday evening.

In some unaccountable manner, the boy got stranded on a large rock in the middle of the river across from Art Lawson's Standard Station. Lawson noted the youth's plight and flagged down State Patrolman Martin Sturcke, who with Lynn Stauts, employe of the station, Chico E. Barbo and an unidentified man went to the rescue.

Stauts had an inner tube and Sturcke provided a rope and the former plunged into the swift, deep and chilly water and put the boy in the inner tube and he was hauled to shore, wet and scared but otherwise unharmed.

Granite Company Low On Local Job

A low bid of $38,566 was received Wednesday by the division of highways on a project to widen and surface a 1.4-mile section of roadway in Placer and Nevada Counties, on West River Street between Route 38 south of Donner Creek Underpass and Route 38 in Truckee.

The low offer was submitted by Granite Construction Co. of Watsonville and was one of 5 bids received.

The work will consist of constructing a two-lane roadway by grading, and paving with plant-mixed surfacing on untreated base, existing base and existing surfacing. A reinforced concrete bridge about 66 feet long will be constructed over Donner Creek providing a roadway width of 26 feet.

This facility is being provided as a detour during the 1960 Olympic Winter Games.

The contractor will commence work within fifteen days after notification that his offer has been approved by the attorney general. The project must be completed in 60 working days thereafter. No detours are available and traffic will be permitted to pass through construction operations with as little inconvenience and delay as possible.

JANITOR NEEDED AT LOCAL CHP OFFICE

Examinations will be held at the Truckee office of the California Highway Patrol August 22 for a janitor at the office, Sergeant Frank Snyder announced.

Applications will be received up until Friday, July 31. The salary range is from $281 to $341 per month.

Applicants must have been residents of California for at least one year immediately prior to the date of the examination and must have had at least one year's experience as janitor. The applicant is required to have the equivalent to an eighth grade education. The eligible list will be used to fill the vacancy at Truckee only.

Any further information may be obtained from Sergeant Snyder at the local office of the patrol.

ALLAN YOUNG HURT IN TRACTOR MISHAP

Allan Young, 18, who was employed on construction work east of here, was severely, but not seriously, injured Thursday afternoon when a tractor ran over both feet. He was rushed to the Tahoe Forest Hospital but it was revealed that fortunately no bones were broken. However, he will be incapacitated for sometime. Young graduated with honors from the Tahoe Truckee High School this spring.

He was taken to the hospital by Truckee Ambulance.

EMPLOYMENT OFFICE DISCONTINUED HERE

Ralph Pile of the state department of employment announced this week that the service in Truckee will discontinue until the winter months as the number of people applying at the office did not justify continuation at this time. Pile said that they will resume in the fall.

Mrs. Jack Pistoia has returned to her home following a week in Tahoe Forest Hospital.

Boy Bike Rider Is Among Victims Of Motor Mishaps

Two Local Men Injured In Collision Of Cars At Tahoe Wye

Three injury accidents, one involving a seven year old boy on a bicycle, were reported by the California Highway Patrol for one of the heaviest traffic weekends of the year.

James Patrick Hallahan, 7, of Kings Beach was taken to the Tahoe Forest Hospital Friday afternoon at 4:30 after he was knocked from his bicycle on an intersection near his home in Kings Beach by a car driven by Robert Frank Freedman, 27, also of Kings Beach.

Investigating officers said the boy apparently went into the intersection too fast and the driver of the car was cited for failure to yield the right of way.

Bernard K. Boucher, 32, Sky Lodge, Tahoe City, was severely injured Friday a mile and a half east of Tahoe City when his car was forced off the highway by another vehicle which made a bad pass. Boucher, alone in the car, was taken to the Tahoe Forest Hospital.

Two Truckee men, David W. Vieu, 21, and William H. Robles, 68, were treated at the hospital Saturday afternoon for injuries suffered when the car driven by Vieu was struck by one operated by George W. Montague, Jr., 25, Kalamazoo, Michigan at the Tahoe Truckee Wye.

Montague was only slightly injured and was cited for failure to stop at a stop sign.

Bid Of $599,332 Is Made On Station

SACRAMENTO—(CNS) — The state division of architecture has opened a low bid of $599,332 for construction of the Kingvale maintenance station for the division of highways near Soda Springs.

The project consists of site preparation and construction of an equipment building of about 28,500 square feet of floor area, as well as a gas and oil storage house. The buildings will be one story high of concrete block construction, with steel and wood roof and partition framing. Floors are radiant heated concrete slabs-on-grade, with special concrete topping.

Everett S. M. Brunzell Corp., Culver City, was low bidder.

THREE BABIES ARE BORN AT HOSPITAL

Mr. and Mrs. Richard Paddock welcomed their daughter at Tahoe Forest Hospital July 22. Cheri Ann tipped the scales at 6 pounds, 10½ ounces. Her father is employed by the California Department of Motor Vehicles at Truckee.

Mr. and Mrs. Jack Gregg, residents of Kings Beach greeted their daughter July 18 at Tahoe Forest Hospital. Karen Lynn admitted to a weight of 6 pounds, 2 ounces on her arrival.

Mr. and Mrs. L. Donald Neil of Truckee became the parents of a son July 16 at Tahoe Forest Hospital. His given name was not learned but his birth weight was registered at 7 pounds, 7½ ounces.

JOHN RAU IS HURT IN FALL FROM CAR

John Rau, Jr., 41, Roseville, a former Truckee resident, has been taken to the Southern Pacific Hospital at San Francisco for treatment of injuries suffered when he fell from a tank car at the Roseville roundhouse.

Rau suffered a fracture of his ribs in the fall and his condition is not serious.

RAINBOW GIRLS WILL HOLD MEET MONDAY

Hope Assembly No. 18, Order of Rainbow for Girls will hold their regular meeting at 7:30 p. m. July 27 in the Masonic Temple at Truckee. All members of the order visiting here are invited to attend.

The girls gathered for a picnic and swimming party July 13 at Donner Memorial Park.

SUNBEAMS

By WALTER M. BARRETT

The fact there is apparently a firebug in the community should cause serious thinking and remind us all to keep on the alert for any fires in the restricted areas of the forest. However, the very people with fear the firebug most are very likely to cause as much damage through downright carelessness. Tossing a burning cigarette or match from a car, leaving a camp fire unattended or dumping hot ashes where they might cause a blaze can be just as dangerous as deliberately setting a match to the dry grass or brush. We think a firebug is one of the most detestable of all creatures, but neither do we, nor any other thinking person ,have any respect for the careless, unthinking sap who accidentally starts a forest fire.

Joe Digesti Dies At Home In Bay Area

Friends of Joseph Digesti, 71, were saddened to learn of his death two weeks ago in San Francisco. Digesti had been employed by the Southern Pacific Company for 41 years, the time coinciding with his residence in the Truckee area. He was a native of Italy.

The family moved to Berkeley 6 years ago where the last rites were held for the well known, respected man.

Survivors are his wife, Mrs. Carola Digesti, Mrs. Florence Pierotti of El Cerrito, sons Harry and Gino Digesti of Reno and grandchildren.

FOREST SERVICE TO SALVAGE FIRE LOGS NEAR SIERRAVILLE

From the recent 11,300 acre Cold Creek fire near Sierraville, Supervisor H. E. Branagh of the Tahoe National Forest reports crews are busy preparing 4-5 sales in order to salvage 10-12,000,000 feet of fire killed timber. It is planned that these sales will be advertised shortly in order that the timber may be logged yet this year before it deteriorates.

In order to encourage this salvage project, lumber firms having existing contracts for other government timber sales are entitled to extensions of time in order that they may enter into this emergency program.

A task force of experts from the San Francisco regional office of the U. S. Forest Service together with officers of the Tahoe have recently visited the area to develop a plan to include measures of the salvage of timber, treating the soil to keep it in place by installing erosion dips to break up long extended bare areas, by planting areas with little trees and planting other areas with species of grass. The state division of fish and game was also included in this task force so as to give consideration of this area from a wildlife viewpoint as it is an important habitat for the popularly hunted mule tail deer species.

Branagh explained it is the objective to get this land back into production just as soon as possible.

GIRLS RETURN FROM CAMP IN COLORADO

Dorette Rose, roundup correspondent, and Judy and Linda Giovannoni returned enthusiastic for the Colorado centennial Girl Scout encampment which included a wide variety of activity.

July 8 opened the sessions with pageantry, dances of many tribes were performed in authentic costumes.

Mrs. Culmer, national president gave a speech of welcome with a message from President Eisenhower. A tour was taken of the nearby Air Force Academy and the Garden of the Gods.

Appropriately, July 10 ended the encampment with an interesting national forum for press correspondents, where they had an opportunity to meet girls from other countries.

Paintup Program Gets Nation-wide Publicity In Press

Ripley's 'Believe It or Not' Seeks Information On Local Project

Some time after local interest has apparently cooled, the publicity which Truckee and Donner received on the chamber of commerce sponsored cleanup, paintup program continues to receive wide attention.

This week, Mrs. Patsy Tonini, secretary of the chamber of commerce, received a request from Ripley's Believe It or Not for information and a picture of the 102 teenagers who painted a house here in one minute, 56 seconds, along with confirming evidence.

Of almost equal importance is the fact that more than 200 clippings have been received by the chamber from papers throughout the country which used the picture and story sent out through public relations department of the California Olympic Committee.

Jack Geyer, head of the department, cooperated with Tim Michaud of Fibreboard and the local publicity committee in letting the world know that this area was attempting to have its face lifted for the 1960 Winter Olympic Games at Squaw Valley.

Actually, the program is still going on and will continue throughout the summer, N. F. Dolley, local chamber president, declared. Pabco Company, through its local dealer, Builders Supply Center, has made it possible for those wishing to paint to secure materials at dealer's cost. While this offer has been discontinued, many took advantage of it to stock paint for future use.

Dolley and Zeph Rose, general cleanup, paintup committee chairmen, are urging local residents and business people to keep the ball rolling until the area can offer a pleasing front to its expected thousands of visitors during February.

WINNERS OF YOUTH FISH CONTEST TOLD

CRYSTAL BAY — Harvey Martin, fish derby chairman for Veterans of Foreign Wars Post 7077, Lake Tahoe, reports the derby is concluded and the prizes awarded.

In the age group 12 to 15, merchandise orders were awarded as follows: Pete Martin, first, $20; Don Bradley, second, $10, and John Farnham, third, $5.

In the age group 1 to 11 the winners were Cliff Mason, first, $20; Ronnie Drake, second, $10; Carl Brooks, third, $5.

Martin expressed his thanks in behalf of the post to Jack Starratt of the Village Store and Bob Howell of Tahoe Sportsman for their assistance in making the derby possible as well as others who aided in the program.

Next year's derby is already being planned according to Mrs. Pearl Moore, post publicity chairman.

JUDGE SEEKS MORE CLERICAL AID HERE

Judge Fosten W. Wilson of the Truckee Judicial District Court, reported to the board of supervisors that the work load in his office is too heavy to be handled by one clerk and asked authority to employ a second. This was particularly important in view of the fact that the clerk's salary is only $225 per month.

Judge Wilson told the supervisors that last year he turned in $53,000 to the county and estimated that this figure will increase.

The board delayed action on the request until the next meeting when Supervisor H. G. Loehr, absent at the last session, can be present.

CATERPILLAR THEFT ON DONNER REPORTED

The theft of a Caterpillar tractor and combination loader was reported to the sheriff's office this week by Charles Secco. Secco said the equipment was stolen from near the debris of a fire at Secco's Lodge near Soda Springs.

Sheriff's deputies report no clue to the missing machine.

In South—

Mrs. Terry Tollefson and children are visiting relatives at Bellflower.

Boating Ordinance Expected To Cut Out Recklessness

The Nevada County Board of Supervisors has passed an emergency ordinance regulating the operation of boats on waters within the county.

The new ordinance was presented to the board by Sheriff Wayne Brown with a recommendation that it be approved. It requires safety equipment, specifies lighting, regulates speed in relation to weather and traffic conditions, prohibits reckless operation of crafts and sets up other rules.

The ordinance provides for severe penalties. It becomes effective immediately and while it was not specifically drawn up for Donner Lake its enforcement there will be required. Many boat operators on Donner are apparently reckless and unconcerned with the safety of others and a number of serious accidents have been narrowly averted this summer.

Golf Course Now Laid Out Compete

Volunteers working on the new recreation field took a well-earned rest last Sunday but will be back on the job next Sunday with renewed vigor as there remains a lot of hard work to be done Mrs. Betty Kielhofer, recreation committee secretary, announced.

Next Sunday, men are asked to bring cross-cut saws for tree trimming and the women are invited to bring iron rakes to clear the small stones from the green areas on the golf course. Lunch will be served as usual.

By this coming Sunday the fill dirt on the baseball diamond will be leveled and ready for the top soil and it is hoped the two-acre lake area will be sufficiently drained to permit the removal of soil.

The golf course, Mrs. Kielhofer said, is completely roughed in with greens, tees and all the fairways cleared. Next week the fairways will be graded and ditching made for the water pipelines.

WATER HEARING AT DONNER CANCELLED

SACRAMENTO—(CNS) — The state water rights board announced it has cancelled a meeting scheduled for July 30 on four applications for water from tributaries to Donner Lake because protests to the applications have been withdrawn.

The applications had been filed by Karl L. and Frances Kielhofer, Joseph R. and Mabel H. McDonald, Clarence E. and Willetta Leiby, and John P. and Anna M. Wyatt. All would have used the water for domestic purposes, with service to be provided by a 3,700-foot pipe.

Objections to the applications had been filed by the Truckee-Carson Irrigation District and the Donner Lake Utility Company. However, the department said the district and company had withdrawn the protests.

BOY SCOUT SAVES BABY ON HIGHWAY

SODA SPRINGS—Craig Anderson, 13, of Sacramento, a Boy Scout, is credited with saving Charles Amaral, 3, of Compton from being crushed beneath a truck on US Highway 40 near here.

Craig witnesses said, dashed onto the highway and dragged Charles to safety from in front of the big rig. The youngster and his parents, Mr. and Mrs. Walter Amaral, are vacationing here and Craig and his parents are living here for the summer.

Craig is a Sacramento Bee carrier during the school year.

DAVIDSON TO RETIRE TO MAKE HOME HERE

A. L. Davidson, whose retirement after 42 years with the Southern Pacific Company will occur within the month will return with Mrs. Davidson from Roseville to again make their home at Truckee.

Davidson is scheduled to make another trip or two as engineer over the Summit and is looking forward to his change.

Ill In Reno—

Mrs. Oliver Robinson is in a Reno hospital and local friends are hoping for her early recovery of health.

Hunt For Firebug On After 2 Fires Started In Forest

Officials Alarmed As Two Set Fires Located Near Truckee

Forest service officials are continuing their search for one of the most feared of all criminals in the area—a firebug.

Fire Control Officer Nelson Stone this week reported that there is no doubt that two incipient fires near Truckee were the act of an arsonist. One of the fires was discovered in the pine needles above the Mobile Trailer Home south of here and the other on Alder Hill, half a mile north of Truckee.

Car and foot tracks in the vicinity and the method of setting the fires at 1 a. m. Sunday morning left no doubt, Stone said, that they were set intentionally.

This is the first time in 25 years that there have been set fires in the Truckee Ranger District, Stone said, and the service is greatly concerned. It is believed that a third fire was intended Sunday morning near Highway 89 north of Truckee, but it apparently went out without the assistance of the patrol.

The Alder Hill fire Sunday was discovered by mill workers and the patrol located the second south of town.

Last Rites Held For Mrs. Geo. Waters

Funeral services were held at the Truckee Colonial Mortuary this Thursday morning for Mrs. Viola Agnes Waters, 69, well known Truckee matron, who expired Monday evening at Isleton where she had made her home for the past few months. Interment was in the Truckee cemetery.

Mrs. Waters was a native and life-long resident of Truckee where she was born April 4, 1891.

She is survived by her husband, George B. Waters; four sons, Erving, Roy, Orlan and William, all residents of Truckee, and three daughters, Miss Ella Waters of Truckee, Mrs. Alice Spratt of Isleton and Mrs. Gertrude Stone of Ukiah. A sister, Mrs. Ethel Hodges resides at Stockton. There are four grandsons and two granddaughters.

Sympathy of the entire community is extended to the family.

Since all her sons are members of the Truckee Volunteer Fire Department, pallbearers were members of that group and included N. F. Dolley, Leo Zander, Robert Siebold, Ed Androus, William Fordham and John Galunke.

ARTISTS INVITED TO SHOW WORK AUG. 8

TAHOE CITY—The St. Nicholas Episcopal Church invites artists to display their work at the second annual Art Festival, to be held in the outdoor chapel, August 8th, from noon until 6 p. m.

Paintings will be received by the St. Nicholas Parish Hall and will be kept in safety until the showing.

There will be a special section for children under the direction of Mrs. Lillian Farr. Amateur as well as professional adults are invited to display their works.

All proceeds will go into a fund to improve the church and ground.

Further information can be supplied by Mrs. Marion Moyer of Tahoe City.

BROTHER OF LOCAL WOMAN DIES IN RENO

Sergeant and Mrs. Frank Snyder Tuesday attended funeral services at Placerville for Charles Rupley of Reno, a brother of Mrs. Snyder who expired in Reno.

Born in Georgetown, Dec. 20, 1909 he has been a resident of Reno for the last 4½ years and has been in the timber business most of his lifetime.

Survivors include his widow, Mrs. Amelia Rupley of Reno; four daughters, Charlese Anne, Patricia Lee, Phyllis K, and Debra Lynne Rupley, all of Reno; four sons, Robert W. and Jon C. Rupley of Fresno, Calif.; Theodore J. and Richard E. Rupley of Reno; his mother, Mrs. Clara W. Rupley of Camino, Calif.; another sister Mrs. Marilyn Moore of Lubbock, Tex., and two brothers, Theodore Rupley of Placerville, Calif., and William A. Rupley of Camino, Calif.

LOGGER IS INJURED IN SAW ACCIDENT

Richard Rocchio of Oakland working for a logging firm was treated at Tahoe Forest Hospital July 21 for lacerations of the face when a board, kicked back out of a saw. He was also taken to the hospital by Truckee Ambulance.

Marriage Licenses—

Reno licenses to marry were issued last week to Glenn Lutz and Regina Prine, both of Truckee and N. Jean Hall of Soda Springs and Louis Peters of Florida.

COMMERCIAL AREA FOR SQUAW VALLEY PLANNED BY OWNER

AUBURN—A six acre multiple commercial development is planned in the Squaw Valley, Placer County, area.

Subdivider Wayne Poulsen filed plans fo rthe commercial development with the Placer County Planning Commission. The Commission recommended its approval.

Poulsen told the commissioners a variety of small retail shops such as camera stores or sports equipment suppliers will be built. He indicated the developments mainly will offer services to persons attending the winter Olympics.

Sugar Bowl Map

The commission also recommended a compliance filing of a tentative map for developments in the Sugar Bowl, Placer County, resort area.

Thomas B. Crowley, president of the Sugar Bowl Corporation, explained to the commission the "area has never been planned for a subdivision.

"The bowl is a private corporation," he said, "of people who like to ski. It has never paid dividends and probably never will. A subdivision is the farthest thing from our thoughts."

Plans for a community apartment development in the Sugar Bowl resort area also were approved by the planners. The apartments are to be used by stockholders of the corporation.

NOTICE TO CONTRACTORS

Notice is hereby given that the Tahoe Truckee Unified School District, Counties of Placer and Nevada, State of California, hereinafter referred to as the Owner, will receive up to but not later than 8:00 P. M. on the 4th Day of August, 1959, sealed bids for the award of a Contract or Contracts for Relocation and Reconstruction of Existing Building, Kings Beach School, Kings Beach, Placer County, California. Such bids shall be received at the Office of the Superintendent, Tahoe Truckee High School, U. S. Highway No. 40 near Truckee, Nevada County, California, and shall be opened and publicly read aloud at the above stated time and place.

In accordance with the provisions of Articles 1 and 2 of Chapter 1, Part 7, Division II of the Labor Code, and Local Laws thereto applicable, the Owner has ascertained the general prevailing rate of wages in the locality in which this work is to be performed, copy of which rates are as follows:

Craft	Hourly Wage Rate	Per Diem Rate	Holidays and Overtime
Carpenters	$3.825	$30.60	*
Electricians	4.70	37.60	$9.40
Glaziers	3.215	25.72	**
Iron Workers—Reinforcing	3.60	28.80	7.20
Laborers—General	2.865	22.92	***
Painters & Decorators—Brush	3.50	28.00	7.00
Plumbers	4.85	38.80	9.70
Roofers	3.30	26.40	***
Sheet Metal Workers	3.85	30.80	7.70

OVERTIME: Any additional time worked after the regular work day, Saturdays, Sundays and Holidays shall be considered overtime and paid for at double the straight time rate unless otherwise specified herein.

* For the first four hours after the regular work day, overtime shall be time and one-half. All additional time worked up to 8:00 A. M. and on Saturday, Sunday and Holidays shall be double time.

** For the first four hours after the regular work day and Saturday morning, overtime shall be paid for at the rate of time and one-half. All other time worked shall be double time.

*** Any additional time worked after the first eight hours of regular work day and Saturday shall be paid for at the rate of time and one-half. Sundays and Holidays shall be double time.

Each bid must conform to the requirements of the Drawings and Specifications and all other Documents comprising the Contract Documents. The Contract Documents may be examined and copies obtained at the office of the Architect, GORDON STAFFORD, 1024½ J Street, Sacramento, California, upon the deposit of $15.00 per set, which deposit will be refunded on return of such copies within 10 days after the bids are opened.

No bid will be considered unless it is made up on a form provided by the Architect and accompanied by certified check, cashier's check or Bidder's bond for 10% of the amount of the bid, made payable to the Owner. The above-mentioned checks or bid bond shall be given as a guarantee that the bidder shall execute th Contract if it be awarded to him in conformity with the Contract Documents and shall provide the surety bond or bonds required within 5 days after notification of the award of the Contract to the Bidders.

The successful bidder will be required to furnish a Labor and Material Bond in an amount equal to fifty percent (50%) of the Contract price, and a Faithful Performance Bond in an amount equal to one hundred percent (100%) of the Contract price. Said bonds shall be secured from a Surety Company satisfactory to the Owner.

The Owner reserves the right to reject any and all bids and/or waive any irregularities or informalities in the bidding.

Dated this 7th Day of July, 1959.

Hilda D. Hintz
Clerk of the Governing Board of the
TAHOE TRUCKEE UNIFIED SCHOOL DISTRICT

WOMAN IS NAMED TO AID COUNCIL WORK

TAHOE CITY—La Verne Bradley Rollin, former Nevada and Lake Tahoe resident, has joined the staff of the Lake Tahoe Area Council to manage administrative and research activities and edit council publications.

A former staff editor and writer for the National Geographic Magazine in Washington, D. C., Mrs. Rollin was, at the time of her new appointment, assistant director of public relations for the San Francisco Bay Area Council.

The Lake Tahoe Area Council was formed last year to coordinate the varied interests of resident, civic and business groups in the complex five-county Tahoe area. Council operations and research activities are being handled at the new Tahoe headquarters at Highlands Center, Tahoe City.

Fires start easily in dry grass along roadsides, in woods and forested areas at this time of the year; be careful with fire of all kinds.

NORTH TAHOE

By JUDGE HARRY CHARRISON

WEATHER

The days are keeping quite hot with balmy evenings. Today a little breeze makes it nice and cool in the shade of the pines.

SHORT TRIP

Mr. and Mrs. Dave Ashton and little Mike took a trip to San Francisco last weekend to visit Davey and went aboard the Carrier Kearsarge. Davey said it was quite a thrill cruising under the Golden Gate Bridge. His sister Joellyn and Chuck Redd also visited the ship. Sunday they all had a lovely dinner at Dave's sister's home in San Jose.

SONS VISIT

Mr. and Mrs. Art Mueller of the Silver Pines Motel in Kings Beach have their two sons Donald and Warren with their families visiting. Donald is from Azusa and Warren from Pasadena. They just love it up here and having a wonderful time swimming and boating. Art and Marion have built the cutest apartments at their Silver Pines and plan on staying in this winter.

IN HOSPITAL

George Harrison of the Brockway Hill and Reno is in St. Mary's Hospital having had a serious operation last week. He is feeling a little better but the heat has made him quite uncomfortable. We all wish George a speedy recovery.

HAPPY BIRTHDAY

Many happy birthdays are wished for Alice Sorensen whose birthday was July 20th. It was also Tim and Gwen Mizner's birthdays on the 18th of July. Congratulations and best wishes are extended.

VISITORS

Beverly and Wyman Williams have as visitors Mel and Betty Knoll, neighbors of theirs in Pasadena. This is the fourth summer they have visited the lake and are certainly in love with it, flying up to avoid the heat they don't like the thoughts of going back.

RENO VISIT

Mr. and Mrs. Pilcher of North Hollywood are visiting their daughter and son-in-law Flo and Harvey Klitzke in Reno. They all paid a short visit on Sunday with the Harvey Klitzkes', senior, of Brassee Ave.

FROM SACRAMENTO

We were happy to have Mr. and Mrs. Cohver, former pastor of the Wee Kirk of the Pines visit us last Friday. They had been on a two week vacation and stopped long enough at the lake to visit a few old friends. Their daughter was with them and all looked just wonderful. Sacramento seems to agree with them and we are happy they are doing so well.

BIRTHDAY DINNER

Mr. and Mrs. Harold Grundeman entertained their daughter Gretchen and a girl friend Miss Linda Black with a dinner at Bal Tabarin last Sunday night honoring Gretchen's birthday of July 22nd.

BARBECUE

The beautiful garden of the Sam Harrisons' on Brassee Avenue was the setting for a wonderful barbecue party last week. Sam barbecued three big roasts of beef while guests enjoyed cocktails and hors d'oeuvres. Audrey served many kinds of delicious salads and cakes. Among those present were Mr. and Mrs. Jack Rosenbaum and family, Mr. and Mrs. Spagna, Mr. and Mrs. Dexter and family, Mr. and Mrs. Addleman, Mr. and Mrs. Mahakian — these were all from San Francisco. Mr. and Mrs. Ed Phelan of Los Angeles, Mr. and Mrs. Farnham and grandchildren of Redding and Tahoe City, Mr. and Mrs. Harvey Klitzke, Sr., Judge and Mrs. Harry Charrison and daughter Margie. The evening was enjoyed immensely. They were a wonderful and most interesting group of people. Thanks again to Sam and Audrey for an evening we will never forget.

MANY GOOD WISHES

Many cards and phone calls were received by my little wife, Elsie, on her birthday July 19th. A delightful dinner and beautiful birthday cake was presented to her by Tom Guren at the Bal Tabarin. Nick Lucas sang Happy Birthday. With us were Gwen and Robby Robinson.

Capt. Cyrille Pierre Theodore Laplace, commanding the French frigatee Artemise, entered San Francisco Bay Oct. 21, 1839.

HAL WELCH. YOUR HOST

SACRAMENTO—(CNS) — It's too soon, of course, to pass on or reject the five-year plan for wildlife conservation adopted recently by William E. Warne, new director of fish and game.

The plan has been outlined without detail to the public thus far and, as these things go, could mean a lot, or nothing, depending on what is done to put it into effect.

But at first glance it has every appearance of being a "get-things-done" plan of action, rather than the "going-through-the-motions" type of course the department had adopted under the late and unlamented director, Seth Gordon.

Just about a year ago, Gordon submitted a statement of objectives for the department but it never was adopted by the fish and game commission. It contained 10 general points, with few specifics.

Warne's plan lists 19 points. And conspicuous among those which are missing are those on artificial production of fish and pheasants. While these programs are expected to continue, no matter what the five-year plan, it is interesting to note that the department's thinking does not rank them at the top of the five-year objectives.

The Warne plan, instead, lists some things which this corner and many conservation - type people have been advocating a long time. They are things like inland fish habitat improvement, ocean fish habitat improvement, salmon - steelhead conservation program, and game habitat improvement.

You can improve or create a lot of pheasant habitat for the price of producing 50,000 pheasants; a lot of streams can be cleared and flows maintained for what it costs to raise a million catchable trout.

Another point of interest in Warne's program—and the first one which he will go to work on—is an anti-litter campaign. It's not certain how much success he can have with and educational program designed to convince hunters to bury or burn their refuse, but it certainly is worth a try.

One of the crimes of the modern day hunter and fisherman is that even the most inexcessible areas bear the trade mark of the "sportsman" — empty beer cans. Warne's 19 major programs included one on increasing opportunity to hunt on private lands and the anti-litter campaign should further this one.

It's bad enough for the common garden variety of litterbugs to throw their beer cans, waste paper and garbage along the highways. These are public property and owned by the taxpayers, even though there are laws against littering. But it's even worse to strew refuse on private land which the owner has been considerate enough to make available for hunting and fishing.

Warne's plan calls for a five-year program for the wildlife conservation board which he already has indicated. It would put the board on an orderly basis, with proper emphasis being given to all phases of hunting and fishing, rather than the hit or miss policy, punctuated by politics, which has been in operation.

It calls for introduction of exotic game birds. If carried on, this should be a welcome change. While other nearby states have been introducing new species quite successfully, California game management — years behind in many other features as well—has adopted the stubborn attitude that we have quail, pheasant and doves and that's all. They block most attempts to try anything new.

The Warne plan, between the lines, shows the force of administrative ability with which he is credited, as well as direction from the governor's office. Here's hoping he goes ahead and accomplishes it.

TAHOE BUSINESSMEN BENEFIT BY AGENCY

TAHOE CITY—U. S. Small Business Administration financial specialist George Fratis last week met with 26 Tahoe businessmen in private interviews to explain the new SBA loan program and take loan applications.

Sponsored by the Lake Tahoe South Shore and the Lake Tahoe-Sierra chambers of commerce, Fratis' visit to Lake Tahoe was the first in a series of programs initiated by the Lake Tahoe Area Council to help improve and stabilize the area's economic climate.

According to Edward L. Turkington, SBA regional director in San Francisco, "The rapid development of all year business at Lake Tahoe, combined with the new, broader scope of our SBA program, now enables this agency to look favorably on applications for loans in the Tahoe area."

"Resort operators and other businessmen serving the year round tourist trade can now qualify for assistance through the small business administration," Turkington said.

Fratis announced that an SBA representative will probably return to Lake Tahoe this fall to conduct additional interviews. Complete information on the SBA program can be obtained at the chamber of commerce offices at the lake, and loan applications can be mailed to the San Francisco office this summer.

My Neighbors

"There, Mr. Axel J. Shillinghoff, try worrying about those nasty old taxes *tonight!"*

NEVADA CO. SALES UP 12.7 PER CENT

SACRAMENTO — (CNS) — Retail sales during the first three months of 1959 climbed 17.2 per cent over a year ago to set a new first-quarter record of $4,988,731,000 and produced $149,661,930 in sales and use taxes, the state Board of Equalization reported today.

Every county but Trinity recorded gains, ranging from 5.1 per cent in San Benito County to 74.4 per cent in Mono County.

Nevada County, with January-March sales up 12.7 per cent from a year ago, ranked 49th among the counties in percentage gain. During the three months, sales in the county totaled $4,568,000 to produce $137,040 in the 3 per cent sales tax, amounting to .09 per cent of the total business in the state.

"The magnitude of this gain is attributable to a combination of factors, including a slight rise in the cost of living index in California over the comparable quarter of 1958, a steadily growing population, a healthy rise in personal income, an expansion of consumer retail credit, and an increase in employment.

Sales of new motor vehicles, which had been the principal contributor to low sales tax revenues during the 1958 recession, showed a 33.5 per cent gain over a year ago. Farm implement sales jumped 31.3 per cent and taxable sales of lumber and building materials rose 32.5 per cent.

Most spectacular gain was recorded by trailer, boat motorcycle and airplane dealers, whose sales were up 42.9 per cent from the first quarter of 1958. Boat sales alone were up more than 50 per cent. The gain in boat sales since the first quarter of 1954 was more than 275 per cent.

BE CAREFUL WITH FIRE

ROAD COMPETITION RAPPED BY PATROL

The competitive spirit of most Americans is a great asset on the athletic field, but it is a serious hazard to highway safety, says Sergeant F. H. Snyder of the California Highway Patrol.

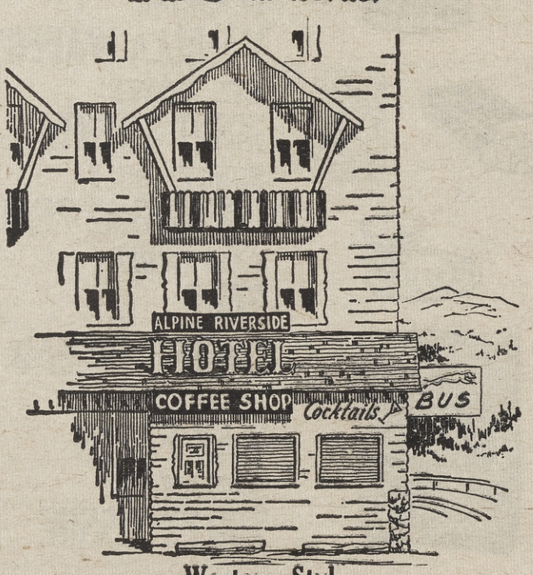

"Competition on the highway takes the form of excessive speed, grabbing instead of yielding the right of way, and cutting in and out of traffic," Snyder declared. "All of these actions are unlawful, unsportsmanlike and unsafe, and each accounts for a great number of the traffic accidents in this area."

Noting that traffic safety is "largely a personal matter," the commander of the patrol's Truckee substation office added: "We will have fewer accidents and injure and kill fewer people if we substitute courtesy for competition and really try to give the other fellow a break."

MOVIES SHOWN AT MEET OF ROTARY

TAHOE CITY — Twenty-seven Tahoe City Rotarians and 20 visiting Rotarians attending the July 14 luncheon meeting at Tahoe Inn, were entertained after the luncheon by the showing of a movie film showing the recent Winter Olympics at Cortina, Italy and of skiing and ice skating at Squaw Valley last winter.

The visiting Rotarian farthest from home was Walton Gordon of West Honolulu. He is occupying the home and using the auto of a Tahoe summer home owner while the local family spends the summer in West Honolulu using Gordons home and using his auto.

Bill Briner provided the movie film which was run by Basil Kehoe. Bill Bechdolt presided at his first meeting as the new president.

TRAVEL INTO STATE SHOWS HUGE GAIN

SACRAMENTO—(CNS) — Overall travel past California's border quarantine stations showed an increase of about 7 per cent during June, as compared with that month in 1958, the state department of agriculture reported.

During the month, 1,471,111 persons in 267,006 California-registered automobiles, 237,079 out-of-state vehicles and 4,241 buses passed the checking stations. This compared with 1,375,330 passengers in 249,187 California cars, 217,554 out-of-state vehicles and 4,591 buses a year ago.

The stations at Yermo and Truckee were far out in front of the others in volume. Yermo checked 268,072 persons in 93,359 vehicles and Truckee checked 244,166 persons in 91,055 vehicles.

Total passengers passing by the other quarantine stations included: Blythe, 148,846; Daggett, 142,767; Palms, 12,241; Vidal, 15,664; Winterhaven, 146,714; Alturas, 13,813; Dorris, 77,900; Hornbrook, 98,841;

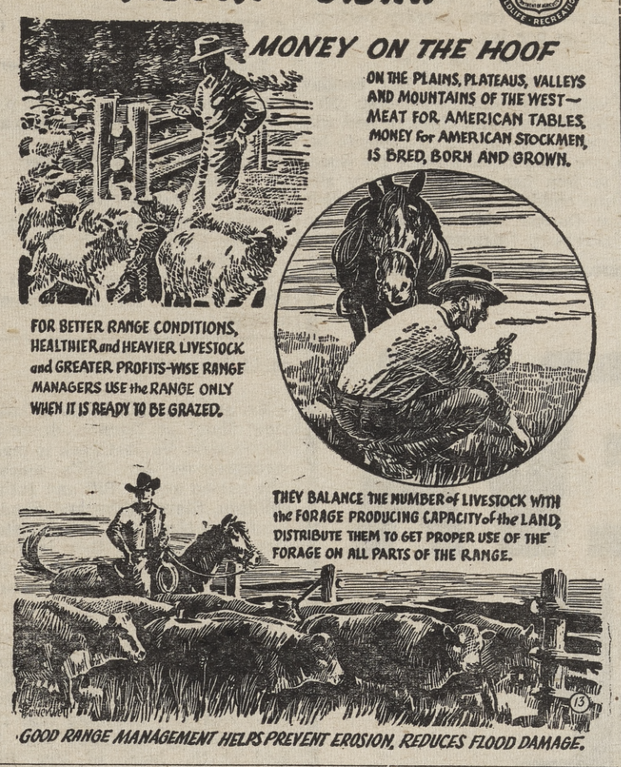

Redwood Highway, 49,237; Smith River, 35,113; Tulelake, 21,661; Benton, 19,279; Long Valley, 62,039; Meyers, 69,478; Topaz, 43,408; and Woodfords, 1,982.

MRS. DROSTE PLANS FALL VISIT TO LAKE

TAHOE CITY — Mrs. Ruth Droste was surprised and very pleased to get all of the messages of encouragement from Lake Tahoe friends, after the fact that she was in a Los Angeles hospital appeared in the Sierra Sun.

Mrs. Droste wrote that she contemplates a trip to the Lake in September looking forward to thanking her friends in person for their get-well cards.

West Shore Notes

By NINA SLADE

These perfect summer days laze by. The roads and beaches are thronged with visitors, vacationers, sightseers and those who spend the whole season. This week the moon defies the daylight sun to match her nightly splendor.

* * *

It's wedding chimes this Saturday for Miss Pat Dailey, daughter of Mr. and Mrs. C. F. Dailey of Lafayette and Meeks Bay. Pat will wed Hugh Knight, son of Mr. and Mrs. G. P. Knight of Willows in the outdoor chapel of Nicholas Episcopal Church, Tahoe City. After the reception at the Dailey's home the couple will honyemoon at Banff and Lake Louise in Canada, returning to live on Hugh's ranch in Chico.

* * *

Tahoe Cedars Tract property owners at Tahoma learned that theirs is the only unzoned tract on the lake from Mr. Paul Brace of the El Dorado County Planning Commission at their meeting July 16. Mr. Brace outlined plans to elminate some of the cross streets in the tract. He explained that if residents want zoning, they must petition for it. At the business meeting, the incumbent officers were re-elected: Mr. Louis Celio, President, Mr. Robert R. Stanley, Vice President and Mrs. Vince Bushey, Secretary-Treasurer.

President Celio has a project in the works to erect directional board signs on certain streets in the tract and to eventually replace the street signs, most of which have been lost, strayed or stolen for years.

* * *

It's a wise man who vacations at his own lodge. That's just what Charles J. Fraychineaud of North Hollywood, his wife and son, and four grandchildren are doing at Moore's Pine Lodge, Tahoma.

* * *

Mrs. Sue Welch, granddaughter of Mrs. Charles Whitham, Tahoma, had to hustle out of her Calpine fire-spotting station during the recent forest fire at Sierraville. After two days she was back again, but it was touch and go for a while. Sue's husband, Charles, is a forest ranger there.

* * *

Captain and Mrs. Arthur Evers of Berkeley are at their home in the Rubicon properties.

Mr. and Mrs. George B. Varnum of Los Angeles are at their Tahoma cabin. George got "talked out" of that jaunty Scotch tam-o-shanter he usually sports at Tahoe, and is shopping for another.

* * *

Dr. L. B. Crow and Amelia Crow of Palo Alto are at Tahoma with their grandchildren, Peter, Michele and Madeline MacDonald.

The illness of Charles Black took him and his wife, Edith, down to Acampo for a week, but they've returned to Tahoma and he's feeling fine again.

* * *

Friends and neighbors at Tahoma sorrowed to hear of the death of Earl D. Marr, in Oakland on July 10. He is survived by his wife, Marcella, a son, two grandchildren and a sister, Mrs. Celeste McDonald of Sacramento.

Mrs. Annette Kratche of San Francisco was all set to leave for her Tahoma house when an automobile collision broke her knee and finger, so she's more or less immobilized in a cast for the present.

* * *

Mr. and Mrs. Ed Iverson have deserted Anoka, Minnesota for Tahoe. They're building a new, year-round home at Skyland. Ed's brother, Dr. Raleigh Iverson is building right next door.

A NEW HOME FOR YOU

25 F.H.A. Approved Models To Choose From, Plus 3 Designed For The Sierras. Save 25 Percent.

DONNER DOINGS

BY VIRGINIA O' BEAR

Well, Richard Walker went and did it again! Charlie and I stopped by to see Dick and Jean Sunday and Dick showed us the big mackinaw that he had just caught. It weighed in at 18 and a half pounds and is 34 and a half inches long. It was an unusually wide fish and anyone would be mighty proud of! While at the Walkers home, I couldn't help but notice the beautiful lawn and various flowers that Dick and Jean have worked so hard to grow. How they have managed to work in such a pretty yard with all of their activities is beyond me.

* * *

Mrs. Frank Lang of San Francisco is staying with her grandchildren at Donner while her daughter, Mrs. Richard Quist is visiting and taking care of her grandmother for a little while in the city. Paula's grandmother is recuperating from surgery performed on her leg.

* * *

Mrs. Hank Slack left Sunday with her daughter-in-law, Mrs. David Slack and children and will spend two days in Sacramento before Ruby takes a plane for Guam to join her husband. Ruby and the children have had a nice visit at Donner while waiting for the necessary papers before they could leave this country.

* * *

Mr. and Mrs. Bill Davis of Lakeview Motel at Donner, drove to Martinsville, Va. last week to make arrangements for Bill's mother who passed away. Bill and Julia's children, Steve, Mike and Sandra went with them and Julia's sister, Mrs. John McGraw flew in from Los Angeles to take care of the motel for them until they return.

* * *

A board meeting was held at the home of Mrs. A. St. Claire Monday evening and ladies of the Donner Lake Volunteer Fire Department Auxiliary disclosed that the next meeting scheduled will be held at the home of Mrs. Hap Warnke. It will not be a dinner meeting and after the business meeting, refreshments will be served. All members of the auxiliary are urged to attend as results of the Donner Lake Regatta will be reported.

* * *

Monday night, a group of interested property owners drove to Nevada City to meet with the Nevada Planning Commission. Mr. and Mrs. Eugene Welch drove down in their car and presented the several petitions that have been signed by Donner Lake property owners concerning the zoning of Donner Lake. Spokesman for Donner Lake was Richard Swanson who stressed the need for zoning at Donner, due to the fact that so many trailer courts and undesirable businesses are springing up and would ruin the beautiful vacation land that we are so proud of. After the Olympics, what will we have left for the future if our resort area is spoiled by these places that we have no control over right now? Without zoning, anyone can set up business right next door to our homes and value of your property and mine will go down. Let's all sign the petition and make the efforts of Mr. and Mrs. Eugene Welch, Dick Swanson, Mr. and Mrs. Robert Roth and Mrs. Al Manetta worthwhile since they took their time to drive down and meet with the planning commission. We do need more names of interested people so please contact Dick Swanson at Armstrong Realty at Donner Lake, Mrs. Eugene Welch at Welch's Hardware in Truckee, or see me, (Virginia O'Bear, LU 7-3688), we have the papers that you can sign. Help keep Donner Lake a resort area, let businesses all be kept in certain places at Donner and kept away from home owners.

* * *

If you see the roof our place bopping up and down, think nothing of it! I have some 'kool kats' on vacation with us this week and things are really jumping around here. Even our five year old Mike is keeping up with the rest of them and can bop now. With our son, Chuck, our niece, Suzi and our daughter Jennifer the four of them keep me going. Our older boy Dave, takes off and does his bopping elsewhere. Says there is too much competition around here. If you see a green runabout boat with black trim, loaded down with the children and me, you'll know I took them out on the lake to cool them off.

CHURCH NOTES

CHURCH OF JESUS CHRIST OF LATTER DAY SAINTS
Tahoe City Community Center
Sunday School — 11:15 a.m.
Sacrament Meeting — 12:15 p.m.
Priesthood Meeting — 1:00 p.m.

Rev. Stanley Welch, Vicar
Serving all Christians
Services have been changed to the following for the summer months:

8:30 a.m.—Communion, Parish Hall.
9:30 a.m.—Family service and Sunday school, Parish Hall.
11 a.m.—Service at Outdoor Chapel.
For information call JU 3-3628.

COMMUNITY METHODIST CHURCH
Kings Beach
Rev. Earl Leonard Langguth, Pastor
Phone LIberty 6-3890
Schedule of services:
9:45 a. m.—Sunday School (all ages).
11 a. m. Morning worship.
In last Sunday's sermon, Rev. Langguth took issue with the idea that God is an impersonal "Divine Principle" in the universe. After the service a lady asked "how then, do you define God?" Our sermon topic this Sunday will be "The Definition of God." Is there a definition of God in the Bible? Can we, from our vantage point in the "enlightened" Twentieth Century better define Deity?
6:30 p. m.—M.Y.F. Barbecue.
7 p. m.—M.Y.F.
8 p. m.—Evening worship.
This Sunday evening Rev. Langguth continues his series "What Can I Believe?" with "What Can I Believe about the Church?"

CLEAN CAMP DRIVE FOR CAMPERS OPEN

A new program intended to educate hunters and fishermen on the importance of leaving clean camp sites and not littering public or private land is being undertaken by the department of fish and game.

Director William E. Warne said the problem of the litterbug is of vital importance to the future of outdoor recreation in California, particularly as it concerns the opening of private land to hunters and fishermen.

"We are going to try to impress the sportsmen that they must form the habit of cleaning up after themselves if they expect to be permitted on privately owned land," Warne said.

"While hunting and fishing opportunity is constantly being decreased by the expansion of suburban residential and industrial development," the director continued, "additional thousands of acres of farm and ranch land are being closed to sportsmen by landholders who don't want their property to look like a garbage dump. If property owners could be sure hunters and fishermen would keep the premises clean, much of this land might be opened."

Warne noted that hunters and fishermen certainly aren't the only litterbugs, but it is hoped that they, individually and through their sportsmen's organizations, will take the lead in the fight to make California a clean state in which to live and play.

CERTIFICATE OF BUSINESS UNDER FICTITIOUS NAME

The undersigned, Realty & Tax Service Company, a corporation organized under the laws of the State of California, whose principal office is located at 433 South Spring Street, Los Angeles 13, California, does hereby certify that it is conducting a tax service business at 251 Kearny Street, San Francisco, California, and in Nevada County under the fictitious name of "California Tax Agency."

AGREEMENT

NOTICE OF AGREEMENT TO PURCHASE PROPERTY DEEDED TO THE STATE FOR DELINQUENT TAXES

NOTICE IS HEREBY GIVEN in accordance with the provisions of Division 1, Part 6, Chapter 8 of the Revenue and Taxation Code and the written authorization of the State Controller that an agreement, a copy of which is on file in the office of the Board of Supervisors of Nevada County, has been made between said Board of Supervisors and the State of California, acting by and through the Department of Public Works and approved by the State Controller, whereby said County will sell to said State of California, under the terms set forth in said agreement all the right, title and interest of the State of California in and to the real property hereinafter described.

That unless sooner redeemed, the undersigned Tax Collector, pursuance to said agreement will, not less than 21 days after the first publication of the mailing of this notice as required by law, which ever is later, sell said property to the State of California.

That upon the sale of the property the right of redemption will cease. For information as to the amount necessary to redeem apply to John T. Trauner, Redemption Officer of Nevada County, in the Court House in Nevada City, California.

The property referred to and contained in said agreement is situated in the County of Nevada, Truckee, State of California, and is substantially described as follows:

In Donner Camp, Bucknam Tract, Lots 8 and 9, Blk 209. Last assessed to Wm. R. P. Clark.

Dated: At Nevada City, California, this 9th day of July, 1959

ELMA HECKER
Tax Collector, of the County of Nevada, State of California.

First Publication: July 9th, 1959.
Second Publication: July 16th, 1959.

DONNER ROAD REST ONE OF 22 IN STATE

Motorists on California highways this summer may find an additional 22 roadside rests at which to stop and relax—this time without too much cost to the taxpayers.

One of these 22 rests will be near Donner Memorial State Park.

The new roadside rests will be on state park property and will consist merely of picnic tables and trash cans. Maintenance and use of sanitary facilities will be provided by the adjacent state parks.

The new rests will be a far cry from the 10 which previously were put into operation at considerable cost and maintenance charges which ran as high as $10,000 a year for some location. The legislature chopped off any further money for the rest stations and the plan for the 22 new ones, without cost then was developed by the division of beaches and parks.

The former chief of beaches and parks, Newton B. Drury, had shown a disinclination to compromise and had held that no roadside rests were better than those which did not come up to high standards.

COUNTY GETS BILL FOR J. C. STUDENTS

Nevada County has received a bill for $118,532 for students attending Sierra College at Auburn, representing the largest county tuition for "outside" California students.

Superintendent Harold M. Weaver announced the billings totaling $184,412, to counties which are outside the Sierra Junior College District. Although part of the Tahoe-Truckee district is located in Nevada County, it is a portion of the junior college district and this county is not billed for students of that district.

Next highest tuition payment asked is of El Dorado County, $49,678. The remaining $15,000 is distributed over 15 counties.

The college will open Sept. 1 and will again lease facilities from the Placer Joint Union High School district in Auburn, pending completion of the new Sierra campus near Rocklin.

Son On Leave—

Mr. and Mrs. Ed Crandall have their son Raymond Crandall as their guest during his leave from his U. S. Air Force station at Washington.

HIGH ACCIDENT COST IN STATE REVEALED

SACRAMENTO—(CNS) — The 3,510 traffic deaths in California during 1958, along with 135,565 traffic injuries, cost the people a total of $473,850,000, or enough to run the state for nearly three months.

John C. Hall, district director of the national safety council, made this report to Gov. Edmund G. Brown as business leaders met with the governor to discuss the official analysis of California's traffic safety activities for 1958.

The annual inventory of traffic safety activities, presented to the group, previously had been confidential but was shared with the business leaders for the first time.

In his report, Hall said only 66 per cent of California cities have sufficient recruit training hours for police and only 10 per cent meet the standards for police supervisory training.

RUPP TAKES OVER AS STATE WATER HEAD

SACRAMENTO—(CNS) — Frederic J. Rupp, 43-year-old former Sacramento newspaperman, took over today (July 15) as a special representative of the department of water resources.

Rupp replaced J. Del Sarber in the $14,000 a year post.

Rupp, a democrat, had been chief of the International News Service Bureau in Sacramento until the company's merger He served as a top press aide in the campaign of Gov. Edmund G. Brown and, during the recent legislative session, handled press and public relations for Democratic members.

VISIT HELENA

Mr. and Mrs. Robert Leamon and children, Barry, Marcia and Bruce visited the First Fleet at San Francisco Sunday, including the ship Helena II. Leamon is a survivor of the Helena, the first, sunk at Kula Gulf by the Japanese in World War II.

REPRESENTATIVE HERE

A representative of the Reno Social Security Office will be at the Justice Court in Truckee on Tuesday, July 28 between 9 a. m. and 10 a. m. to assist those who wish to file for benefits or desire information about the social security program.

KEARNEY FAMILY HERE

Mr. and Mrs. Philip Kearney and four children of Corte Madera are vacationing in Truckee while he visits local friends. Kearney, son of Frank Kearney, Truckee and Rocklin and the late Mrs. Kearney is an electrical engineer in the bay city.

SCHOOLS IN WILL

Six universities and schools will benefit under the will of Alan Harper Pollock, 34, television and radio company official, who died July 3rd in Madrid, Spain. Pollock was a former Truckee resident.

HURT BY BEAM

Harry Mewes of Reno was rushed by Truckee Ambulance, Tuesday to Tahoe Forest Hospital after a steel beam fell across his back and shoulders, while working in Truckee on the new Sierra Pacific Power Company substation.

Harpers Here—

Mr. and Mrs. Chase Harper of Pomona have returned here for the summer.

The Golden Gate International Exposition at San Francisco, 1939-40, commemorated completion of the two great bridges across the Gate and the Bay.

Help keep California a top-ranking timber producing state by being careful with fire when you are in the wooded areas.

SCHOOL ENROLLMENT CONTINUES TO GAIN

Enrollment in the Placer County public schools continued to increase during the 1958-59 school year when the average daily attendance reached 12,869, Al Bequette, county school superintendent, reported.

One of the largest gains was recorded in the Tahoe Truckee Unified School District which increased more than 100 during the year, Bequette said.

Sermon Topic

Rev. Roy Q. Whiting of the Church of the Mountains, Methodist at Truckee has chosen as his Sunday sermon subject for July 26 "Thinking in a Dizzy World."

"Butch" The Sierra Beaver Sez:

Quotes and excerpts from California Division of Forestry report on Forest Pest Conditions in California

DWARFMISTLETOE

"Several sizable areas are under observation where mature trees are heavily infected. Many trees of all ages have either directly been killed by Dwarfmistletoe or so weakened that they were easy prey to the Mountain Pine Beetle".

Now unfortunately we have here at Lake Tahoe and Truckee more than our share of Dwarfmistletoe and Mountain Pine Beetles. So in order to protect your trees from both, all care should be taken to prune out Mistletoe and other parasites that weaken your trees and leave them vulnerable to the Beetles.

See your nearest U. S. Forest Service Ranger for advice and permits. And please drive carefully in the forests and protect our wildlife. These little creatures do not understand an automobile as the carcasses along our highways attest.

It takes a long time to grow a tree, and only a little time to protect it.

Now Another Matter

Folks Please Be Careful With Fire

GAIN IN VALUE OF COUNTY REPORTED

SACRAMENTO—(CNS) — The state board of equalization has approved the assessment rolls of the state's counties, totaling $23,773,286,367 for land, improvements and personal property, after exemptions.

The statewide increase in assessed value was $1,205,060,380 or 5.34 per cent. Exemptions totaled $1,459,538,658, an increase of $46,540,012 or 3.29 per cent.

The assessment roll submitted for Nevada county showed a total of $25,374,850 in assessed value, after $1,580,790 in exemptions. The assessed value after exemptions was an increase of $1,181,060 or 4.88 per cent from a year ago.

The breakdown for the county showed assessments for land at $6,792,140; improvements, $16,103,300; and personal property, $4,060,200.

While the assessment rolls were approved by the board, four counties were warned to raise their assessments or face state equalization boosts next year. The board staff said Sutter, El Dorado, San Luis Obispo and Imperial counties appeared to be low.

PUBLIC PARTY

The public is cordially invited to attend a party to be given Saturday evening July 25, starting at 8 o'clock in the Assumption Parish Hall.

PUT IT TO THE TEST!
